

MCANJ Membership Meeting Review

April 2019

Richard Levesque, Senior Vice President of Public Affairs & General Manager of the Trenton Office at MWW, Addresses the MCANJ Membership

Richard Levesque is the Senior Vice President of Public Affairs & General Manager of the Trenton Office at MWW and serves as Mechanical Contractors Association of New Jersey's Lobbyist. He addressed the MCANJ membership at the April 2019 meeting, speaking about state issues such as medical and recreational marijuana, state sick leave, public-private legislation, HVACR Licensing, and the current New Jersey administration.

Also, Mr. Levesque spoke about national issues and how the current Presidential administration's policies could influence New Jersey. Finally, he spoke about potential candidates and current polling numbers for the elections in 2020. Mr. Levesque was well received by the MCANJ membership, and we look forward to having speak again soon.
