

MCANJ Membership Meeting Review

October 2019

Mark Love of Chemours Refrigerants speaks about the future of refrigerants and achieving long-term compliance in the industry

At the October 9, 2019, MCANJ Membership meeting the guest speaker was Mark Love, Eastern Region Account Manager for Chemours Refrigerants (formerly DuPont).

Mark has over 32 years of experience in the chemical industry. He has spent the last 15 years working for DuPont/Chemours in the HVAC industry. He has extensive knowledge of

the refrigerant industry including the new refrigerant regulations and their impacts.

Mr. Love spoke about the future of refrigerants and achieving long-term compliance in the industry. Mr. Love spent time reviewing the current and future regulations, and how these regulations will impact the refrigerant market.

Overall, Mr. Love was very engaging and fielded many questions from the membership. MCANJ would like to thank Mark Love for taking the time to speak to our membership and we look forward to having him back in the future.
