

MCANJ Membership Meeting Review

Mechanical Contractors
Association of NJ, Inc.

April 2017

MCAA's Director of Construction Technology, Sean McGuire, presents at MCANJ's April Membership Meeting

MCANJ's guest speaker at the April 19, 2017 meeting was Sean McGuire, MCAA's Director of Construction Technology. Mr. McGuire has been with the national association since 2000. In addition to being a director, Sean is involved in Green Building and the Plumbing Contractors of America. He also organizes MCAA's

Technology Committee, the annual MCAA Tech Conference and MCAA's

Construction Technology Initiative.

Mr. McGuire's presentation included an update on national research projects and education and technology that every contractor should begin testing for themselves.

The presentation was well received by all in attendance.

May 24

We encourage everyone to attend the next MCANJ Membership meeting on May 24th at 5:00 p.m. at LaGriglia Restaurant 740 Kenilworth Blvd. Kenilworth, NJ

Our guest speaker will be MCAA President, Greg Fuller.
