

MCANJ Special Member Event

October 24, 2019

Milwaukee Tool Holds Special Event For MCANJ Members Only At Top Golf, Edison

The MCANJ membership, along with Local Union training coordinators and instructors, were invited to a Milwaukee Tool Innovation Training presentation at Top Golf in Edison, NJ.

This presentation was about the latest and greatest tools, including but not limited to some new safety equipment with detailed explanations and live demonstrations of all of the Milwaukee Tool products.

The presentation was very informative and educated

the attendees on how innovative Milwaukee Tool's product line is.

After a very detailed presentation, the Milwaukee Tool representatives fielded many questions from the audience. Also, attendees were treated to raffled prizes, giveaways, dinner, and golf.

The Mechanical Contractors Association of New Jersey would like to thank Milwaukee Tool for their expertise and generosity.

This event was very well attended and extremely well received by the attendees. MCANJ values the relationship with Milwaukee Tool, and we look forward to a continued partnership.
